CERTIFIED MAIL P 760 541 432  
RETURN RECEIPT REQUESTED

Mr. James W. Daderko  
2647 West Skyline Drive  
Salt Lake City, Utah 84108

Dear Mr. Daderko:

Your Notice to conduct mining exploration operations under BLM's 3809 surface mining regulations was received on July 21, 1994 and we have placed this correspondence with last years notice for your Karen Dee exploration operations, which was assigned case file number U-70374. This Notice covers your proposed operations in western Wasatch County, Utah.

- Refer to this number in any future correspondence,
- Submit a report of accomplishments for activities in calendar year 1993, as we have not received one yet
- Submit a report of accomplishments for activities in calendar year 1994
- Amend your notice if there are significant changes during your operation
- Submit a new notice for activities in 1995
- The operator must comply with all County, State, and Federal standards and regulations.

In accordance with 43 CFR 3809, we are accepting your notice of intent to conduct mining operations and advising you that your mining activity will occur concurrently with other activities on the public lands. A review of your proposed project by our resource staff indicates that your mining activity would be considered casual use as minimal surface disturbance would occur and no use mechanized equipment or explosives is indicated in the mining operations. When proceeding with your on-the-ground operations, please inform your field personnel to take the necessary precautions to prevent undue damage or degradation to these lands.

The acceptance of this notice of intent does not serve as a determination of the validity, or lack thereof, of any mining claim associated with this notice.

The acceptance of this notice of intent does not authorize any use of adjacent private lands.

Thank you for your concern towards conserving and protecting our natural resources. If you have any questions, please feel free to contact Dan Washington, our Surface Protection Specialist for 3809 activities at (801) 977-4300.

Sincerely,

**LEON E. BERGGREN**

Leon E. Berggren  
Bear River Resource Area Manager
